Terms & Conditions

1. This promotion is intended for new students only. Every student is entitled to it only once.
2. For two students joining, they need to join and make payment at the same time. Otherwise, they are considered as one student joining each.
3. One trial lesson @ \$90 is welcome. However, priority is given to those who make full payment.
4. Current student who recommends new student to us will be rewarded \$90 for each successful referral. Hence, any new student can join first without rushing to look for another student to join together, as the resultant reward is the same.
5. The promotion may end without any prior notice.
6. Our company reserves the rights for any final decision.
